Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

The reference cited on attached PTO/SB/08B form is being called to the attention of the Examiner. A copy of the reference is enclosed. It is respectfully requested that the cited reference be expressly considered during the prosecution of this application, and the reference be made of record therein and appear among the "references cited" on any patent to issue therefrom.

"Grant Application; Raso, Immunology of Alzheimer's Disease', 1/1998," cited by the Examiner in Application No. 09/579,690, is submitted herewith as cite no. 304. Application No. 09/579,690 is a commonly owned copending application directed to related subject matter. Applicant believes "1/1998" is not the publication date as alleged by the Examiner, but refers to the grant funding cycle. Applicant further believes the date of public accessibility, if any, is unknown. Applicant wishes to bring to the Examiner's attention that a copy of a grant application believed to have been submitted by Victor Raso for NIH Grant 1 R43 AGI 5746-01 on August 29, 1997 was previously submitted as cite no. 144. Cite no. 144 is a redacted version of cite no. 304. Applicant obtained cite no. 144 under the Freedom of Information Act (FOIA). It is believed that the grant proposal would not have been accessible

under FOIA before April 2, 1998, but the exact date of public accessibility, if any, is not known to Applicant.

Applicant wishes to bring to the Examiner's attention that Application No. 09/723,762 filed 11/28/00, a commonly owned copending application directed to related subject matter, was previously cited in error by Applicant as Application No. 09/724,762.

Applicant also wishes to bring to the Examiner's attention that Application No. 09/724,570 filed 11/28/00, a commonly owned copending application directed to related subject matter, was previously cited as Application No. 09/724,569. Due to a PTO clerical error, this application and another separate, unrelated application were both assigned Application No. 09/724,569. The Office corrected this error by assigning Application No. 09/724,570 to the application previously cited as Application No. 09/724,569.

Further Applicant wishes to bring to the Examiner's attention the following previously cite commonly owned copending U.S. National stage applications directed to related subject matter. The applications were previously cited with their respective international filing dates; the applications are cited below with their respective U.S. filing dates:

09/979,701 filed 03/13/01 (U.S. National Stage of PCT/US00/14810 filed 05/26/00); and,

09/979,952 filed 04/04/02 (U.S. National Stage of PCT/US00/15239 filed 06/01/00).

Applicant also cites the following copending application directed to related subject matter but subject to different assignment:

10/010,942 filed 12/06/01.

Applicant also cites the following abandoned application directed to related subject matter but subject to different assignment:

60/251,892 filed 12/06/00.

As provided for by 37 CFR 1.97(g) and (h), no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information, and no inference should be made that the information and references cited are, or are considered to be material to patentability because they are in this statement. No inference

should be made that the information and references cited are prior art merely because they are in this statement.

Applicant believes that a fee of \$180.00 is required for submission of this statement, since it is being submitted after the first Office Action, but before the mailing of any final office action, a notice of allowance, or an action that otherwise closes prosecution. The Commissioner is authorized to deduct the \$180.00 fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

Rosemarie L. Celli
